

**Canadian Mental
Health Association**
Brant-Haldimand-Norfolk

Board Members being Recruited

The **Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch** (CMHA) is now accepting applications for Board Membership on our volunteer Board of Directors. CMHA provides a wide range of community mental health services for adults living with mental illnesses. Varied perspectives are sought and a range of skills are valued for this skill-based governance Board. If accepted, applicants need to commit to monthly meetings (excluding summer months) as well as some Committee work throughout the year.

Our branch is an active member of CMHA Ontario and CMHA National. Our branch is also involved with two OHTs Ontario Health Teams. OHTs are designed to re-shape and improve the health care system. If this is of specific interest to you, then please indicate such in your expression of interest for board membership.

Interested individuals may contact Mr. Michael Benin, Executive Director, by email at **mike@cmhabhn.ca** or by calling 519-752-2998 x102 to request an **Information and Application Package**, or simply contact the office at (519) 752-2998 to request this information. The Board meetings are currently held via videoconferencing. Please include your resume along with your emailed interest. Thanks!!

Please visit the CMHA BHN Website: www.bhn.cmha.ca for more information about the organization. In 2018 CMHA celebrated 100 years in Canada.
