# **INDEPENDENT AUDITORS' REPORT**

### To the Board of Directors of Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch

### **Qualified Opinion**

We have audited the consolidated financial statements of Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch (the 'Association'), which comprise the consolidated statement of financial position as at March 31, 2023, the consolidated statements of operations and net assets, schedule of expenditures, statement of operations and changes in fund balance - other funding, statement of operations and changes in fund balance - QuicKlean, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2023, and for the year then ended in accordance with the financial provisions of Article 8 of the Service Accountability Agreement between the Canadian Mental Health Association Brant-Haldimand-Norfolk Branch and Ontario Health.

#### **Basis for Qualified Opinion**

In common with many not-for-profit organizations, the Association derives revenue from the general public in the form of donations and grants from government and other agencies, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Association. Therefore, we were not able to determine whether any adjustments might be necessary to donation and grant revenue, net income, and cash flows from operations for the years ended March 31, 2023 and 2022, current assets as at March 31, 2023 and 2022, and net assets as at April 1 and March 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended March 31, 2022 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Emphasis of Matter - Basis of Accounting and Restriction on Use

We draw attention to Note 3 to the consolidated financial statements, which describes the basis of accounting. The consolidated financial statements are prepared to assist Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch to comply with the reporting provisions of the funding agreement referred to above. As a result, the consolidated financial statements may not be suitable for another purpose. Our report is intended solely for the directors of Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch and Ontario Health and should not be used by parties other than the Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch or Ontario Health. Our opinion is not modified in respect of this matter.

### **Emphasis of Matter - Restated Comparative Information**

We draw attention to Note 17 of the financial statements, which explains that certain comparative information presented for the year ended March 31, 2022 has been restated. Our opinion is not modified in respect of this matter.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Article 8 of the Service Accountability Agreement between Canadian

Mental Health Association, Brant-Haldimand-Norfolk Branch and Ontario Health, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### NOTES TO THE FINANCIAL STATEMENTS For the year ended March 31, 2023

### 1. PURPOSE OF THE ORGANIZATION

The purpose of the Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch is to promote a positive approach towards mental health and to enhance the quality of life of individuals through leadership, education, partnership, advocacy, empowerment and support. The Branch is incorporated under the Companies Act of the Province of Ontario as a not-for-profit organization and is a registered charity under the Income Tax Act.

#### 2. BASIS FOR CONSOLIDATION

The Canadian Mental Health Association, Brant-Haldimand-Norfolk Branch internally reserves a portion of their Ontario Health funded budget for Helping Ourselves Through Peer Support and Employment (H.O.P.E.), as a separate legal, not-for-profit entity. In the current year \$288,612 (2022 - \$288,612) was internally committed. Additionally, H.O.P.E. supplements its activities through its QuicKlean operations which are presented as a separate statement included in these consolidated financial statements. The combined surplus of H.O.P.E. and QuicKlean in the year was \$47,650 (2022 - \$22,476). QuicKlean surpluses are rolled into the operating reserve.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### (a) **Basis of Accounting**

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the requirements of the Service Accountability Agreement with Ontario Health. The basis of accounting used in these financial statements materially differs from Canadian accounting standards for not-for-profit organizations because:

- i) amortization is being provided on the land, building and building improvements equal to a rate of the annual principal reduction of the mortgage;
- ii) approved capital expenditures are charged against operations in the year of acquisition;
- iii) funding for the replacement reserve is charged to operations as determined by the Ministry
- iv) return of excess of revenue over expense is reported in net assets in the year of recovery

### (b) Revenue Recognition

The Association follows the deferral method of accounting. Under the deferral method of accounting, restricted revenues are recognized as revenue in the year in which the related expenses are incurred. Unrestricted revenues are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Funding received in relation to the purchase of land and buildings are recognized as deferred liabilities and recognized as revenue along with the corresponding amortization.

#### (c) Capital Assets

Capital assets, except for land, building and building improvements, are treated as any other type of current year expenditure or disbursement and are charged to operations in the year of acquisition. Land, buildings and improvements under the Ministry of Health Housing program are amortized based on the amount of principal repaid annually on the related mortgage. These policies are in accordance with Ministry of Health Housing guidelines for reporting Capital Assets.

All land and properties under the Erie North Shore Housing program [ENSH] are amortizated at a rate of 4%.

#### NOTES TO THE FINANCIAL STATEMENTS For the year ended March 31, 2023

### **3.** SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### (d) Excess of Revenue over Expenditure

Any Ministry of Health Housing approved excess of revenue over expenditure or expenditure over revenue for the year is returned to or paid by the Province in the year following the variations. The programs are 100% funded by the Province of Ontario.

#### (e) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. These estimates are reviewed periodically and adjustments are made to income as appropriate in the year they become known.

#### (f) Contributed Materials and Services

Materials and services contributed by volunteers during the year to assist the Organization in carrying out its activities are not recognized in the financial statements because of the difficulty in determining their fair value.

#### (g) Financial Instruments

Financial assets and liabilities are recognized when the Society becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are derecognized when the rights and obligations to receive or repay cash flows from the assets and liabilities have expired or have transferred and the Society has transferred substantially all the risks and rewards of ownership.

The Society initially recognizes all its financial assets and liabilities originated or exchanged in arm's length transactions at fair value and subsequently at amortized cost, except for investments in equity instruments, which are recorded at fair value. Changes in fair value are recognized in the statement of operations and changes in fund balances. Financial assets, at amortized cost, are tested for impairment at the end of each reporting period when there are indicators the assets may be impaired.

Transactions are recorded on a trade date basis and transaction costs are expensed as incurred.

| 4. | CAPITAL ASSETS            | Cost      | Accumulated<br>Amortization | 2023    | 2022               |

| Net Assets  |         |             |                     |
| Net Assets - Beginning of Year  | 663,087 | 192,090     | 855,177             |
| Net Assets - End of Year  | 725,733 | 192,698     | 918,431             |

During the year, it was determined that there were capital assets in the form of land and buildings that were not recorded in the financial statements that were part of the amalgamation in the March 31, 2017 fiscal year. The properties were owned by the former Canadian Mental Health Association of Haldimand-Norfolk and were cleared out during amalgamation with the former Canadian Mental Health Association of Brant.

The land and building had been purchased through a funded grant and had been presented as deferred funding on the former Haldimand-Norfolk organizations statement of financial position.

The misstatement resulted in an understatement in capital assets, deferred revenue and net assets.
